

A Gourmet Experience

The Riviera Nayarit shines, thanks to the culinary options found in this Treasure of the Pacific, and each and every day it distinguishes itself as an undeniable gourmet destination.

We are excited to present the Gourmet Experience: Progressive Dining in the Riviera Nayarit, and we invite you to be part of a culinary experience unlike any other.

For this special event, the flavors of three amazing restaurants- La Casona, Nicksan and Lucca- come together to offer a tour of delightful fare; six courses (two courses in each restaurant) perfectly paired with wines from Casa Madero.

This invitation is open to hotel guests and the general public.
